Reference is made to the Director's routing slip dated October 20, 1958, reflecting that the Honorable Robert K. Gray, Secretary to the Cabinet, asked that the Director let him know the approximate time which the Director's speech will require at the Cabinet Briefing, Friday, October 31, 1958.

It is estimated that the Director's Presentation in its present form (45 pages) will require just under 55 minutes to deliver. This computation is exclusive of any time the Director may wish to spend discussing the 10 exhibits prepared for it.

RECOMMENDATION:

For the information of the Director.
